SIR,

Subject : Construction of 32 model houses (B and C types) behind Old All India Radio, Yadavagiri Extension, Mysore.

In forwarding herewith an estimate for Rs.1,87,000/- for co.structing 32 model houses in the above area as approved by the Board of Trustees at its meeting held on 29-2-1956, vide resolution No.404, I write to state as follows:-

Government in their order No.L.15690-3/ITB.23-54-2 dated 31-3-1955 have sanctioned an estimate for Rs.1,41,500/- for constructing 24 model houses in the above area. Subsequently, there was slight modification in the formation of the layout and accor ing to the modified layout, the number of model houses that could be constructed is 32, as against 24 sanctioned. Secondly, as against three types sanctioned, only "B" and "C" types have been approved by the Board to be taken up on account of the smaller size of the sites that are now formed in the modified layout, a copy of which is herewith enclosed. There is heavy demand for built houses in this area, as this is very near to the Hospital, School, Colleges, Railway Station and offices etc.

It is proposed to meet the cost of these houses under the "Low Income Group Housing Scheme" for which a loan of Rs.5 lakhs has been sanctioned in G.O.No.LS.10299-302/Plng.129-55-2 dated 11-1-1956.

P.T.O.

Under the foregoing circumstances, I request you kindly to obtain and communicate sanction of Government to the revised estimate at a very early date.

Yours faithfully,

S. Linganna. 9/3
